Robin Butler, Chairperson, called the February 22, 2005, meeting to order at 8:30 a.m. Minutes from January 25, 2005 meeting were approved as submitted.

OLD BUSINESS:

Linda Moss, SCSO reported on the success of School Zone Safety Awareness Week and thanked everyone for their participation. Linda stated that it was an extremely successful program.

NEW BUSINESS:

All Operation Stats need to be reported on the CTST web page at: www.seminolecountyfl.gov/CTST. On the main page, go to the **Enforcement Activity**

Reporting Form. This information is submitted directly to Philip and Robin and is used for the End of The Year Report, which is made available to each Agency.

The Fatality Reduction Sub-committee has discussed having signing placed at each municipality in reference to the number of traffic fatalities there were last year. The sub-committee is asking for assistance from all agencies to have these signs installed. The committee would like to tie the installation into a media event.

Gary Johnson, Seminole County Public Works Director, spoke on behalf of Commissioner Randy Morris who is currently serving as the Chairman for Metroplan Orlando. He discussed traffic safety and how Metroplan is trying to combat the problem regionally. Everyone is invited to a traffic safety summit on March 10, 2005 at 2:00 PM at the Citrus Bowl Varsity Club in Orlando. Gary discussed the top ten worst driver behaviors and the 10 worst traffic locations chosen by Metroplan which include 3 in Seminole County:

I-4 on Ramps at Lake Mary Blvd.
Lake Mary Blvd. / US 17-92
SR436 / US17-92

PROBLEMS AND SOLUTIONS:

2004-19	SR436 over I-4	still waiting for supplies
2004-28	EB SR434@CR427	CLOSED – DOT completed Access. Management study
2004-29	Bedford Rd@ Ron Reagan	Private property - SCSO to ask property Owner to post sign
2004-30	SR434@Jamestown	DOT approved making protected only phase and pavement marking change southbound.
2005-01	SR436 EB from Lynchfield To I-4	Under review
2005-4	Park Drive@SR434	CLOSED – problem as described not observed during review
2005-5	EB Lake Mary Blvd.	Completed.
2005-6	WB 17-92	DOT installed “No Motor Vehicles” sign.
2005-7	SR46/Mullet Lake Park	Resurfacing in be completed in 2007 or 2008. Total of 12.2 miles.
*	In front of Lake Mary Target	flex stakes need to be replaced

- * US 17-92 South/Live Oak request for protected phase. Stop bar and crosswalk is faded
- * Ferpark/SR436 No crosswalks going across SR436

ANNOUNCEMENTS:
